

# CHEVPAC MACHINERY LTD

The Machine Tool Specialists

## CNC Machining Centre

Phoenix

- 4 Axis Control, Tool Changer
- Solid steel construction
- Axis movements in linear guides and re circulating ballscrews
- Rotation of the work piece 90-0-90 degrees
- Industrial PC Control System with dedicated software program
- 4 adjustable clamps
- Electronic 5.5kW motor with ISO 30 taper spindle
- Maximum 18000 rpm
- Length of traverse X axis 3000mm
- Width of traverse Y axis 400mm
- Depth of movement Z axis 300mm

MMC500190

## Twin Head Semi Auto

Zeta Cut off Saw

- Double head mitre saw
- 400mm saw blade
- Heads work together or independently

ALU302000

## Twin Head CNC

Gamma Cut off Saw

- Double head cut off saw
- 530mm - 550mm saw blade
- Head tilting 45, -90, -45 degrees
- Electronic R-head movement

ALU302200

## Auto Mitre Saw

Astra-A

- 400mm blade
- Rising blade
- Air clamping
- Spray mist lubrication
- Horizontal clamps

ALU301200

## Manual Mitre Saw

Astra

- 400mm blade
- Rising blade
- Air clamping
- Spray mist lubrication
- Horizontal clamps

ALU301150

## Twin Blade Vee Notch

Bifra

- 400mm saw blade
- Front or rear fence
- Spray mist lubrication
- Horizontal & vertical clamps

ALU301250

## Fully Auto Bar Cutter

Xeron

- 450mm blade
- Auto bar feeder
- 0-660mm
- Piece counter

ALU303200

## Single Blade Angle Cutting

Penta

- Auto 500mm saw blade
- Rising blade
- Air clamping
- Digital display for angle settings

ALU301350

## Single Blade High Volume Production

Olimpya

- Auto 500mm saw blade
- Receding blade
- Air clamping
- -45 , 90, +45 degrees
- Blade movement on switch

ALU301300

AUCKLAND  
HAMILTON  
CHRISTCHURCH  
DUNEDIN

131B Pilkington Road, Panmure  
8 King Street, Frankton  
49 Sonter Road, Wigram  
286 Kaikorai Valley Road, Dunedin

PO Box 14-425, Panmure  
PO Box 9039, Frankton  
PO Box 16999, Hornby  
PO Box 30, Mosgiel

## End Milling

Dixi

- Cutter block spindle
- 32mm diameter
- Sliding horizontal stroke 290mm
- Maximum diameter of cutters 120mm

ALU305100

## End Milling

Lola

- T-bar Pneumatic clamp
- 1.5HP, 3PH
- Spray mist lubrication

ALU305000

## Copy Router

Duplex

## Copy Router

Tracer

## Copy Router

Tiger

- Two Motors: 1 Horizontal, 1 Vertical

ALU304050

- Single head
- Pneumatic clamps

ALU304000

- Air operated tracer points
- 2 templates
- Work rotates 90 degrees

ALU302000

## Router Single Flute Cutters

- ALS304050 - 8x100mm
- ALS304000 - 8x80mm
- ALS303900 - 5x90mm

## About LGF

LGF was established at Villa Verucchio (Rn) in 1982 and today it is at the top level of expertise in the field of aluminium and PVC working machinery manufacturing industry.

Their experience of many years, reputation of the company and quality products provide for customers in more than 40 countries around the world.

### Roll In

Serol

- 3 - 4 metre infeed roller

ALU306000/50

### Roll Out

Visirol

- 3 - 4 metre outfeed roller
- Handwheel and Tape
- Digital Readout

ALU306200/50/50

### Roll Out

Toprol

- 3 - 4 metre outfeed roller
- Handwheel and Tape

ALU306100/50

### Mitre Saw

Frida

- 400mm saw blade
- Air clamping
- Compound miters

ALU301100

### Portable Saw

Ares

- Drop & bench saw
- 300mm saw blade
- 1ph, 1.5HP
- Manual clamping
- Portable unit

ALU301000
